The attendees of the conference discussed various challenges and opportunities and explored ways to achieve the above-mentioned priorities.

Ansar National Ijtima' 2014

One of the top priorities of Majlis Ansarullah, USA for the year 2014 is holding a successful national Ijtima' with an attendance of 1,000 Ansar brothers. Ansar are urged to make a resolve to attend this year's Ijtima' as well as encourage other brothers to plan on attending the Ijtima'.

The national Ijtimā' provides three memorable days to pray, learn, relax, meet, make friends, and get reinvigorated spiritually and physically. The atmosphere of brotherhood at the Ijtima' provides an opportunity to build camaraderie amongst Ansar brothers who gather to attend this blessed event from across the country.

The national Ijtima' also provides an opportunity for Ansar brothers to compete in various educational and sports competitions in a very congenial atmosphere. Many interesting workshops such as Health Talk are also held at the Ijtima' that Ansar brothers can benefit from.

Services such as Health Clinic are also provided at the Ijtima'.

The dates and venue of the Ansar National Ijtima' 2014 will be announced soon, insha'allah.
