## Free Will Writing Service

*Dawood Munir, Cypress-Houston*

Dear Ansar Brothers,  
As-Salamu 'Alaikum Wa Rahmatullah

Islam is much more than a religion; it is a way of life. Islam is guidance from God that directs us through life, and God willing, into the next life. It is for this reason that God also guides us through the process of death and dying. Death will come to each and every one of us; however there are things we can do to make our passing easier for those we leave behind. One of those things is to make sure we leave a sound will according to the teachings of Islam. Islam has placed great emphasis on both the laws of inheritance and making a will, thus there is compelling evidence that every sane adult Muslim should have a will.

Many people use lawyers to write their Will to ensure conformity with the legal language and to ensure that their Will is not judged to be legally deficient. In the Holy Qur'an, Allah tells us to have two witnesses of the Will to ensure accuracy and validity. (5:107)

To meet this obligation, Majlis Ansarullah, USA has provided the "Will Writing" service to all Ansar. This service was provided during Ansar National Ijtima last year and we will make this service available at the Ijtima this year again, Insha'allah.

If you are coming to U.S. Jalsa this year, please visit the booth of Majlis Ansarullah, USA located in the Jalsa Gah and pick up a copy of the Will form. Afterwards, take it home with you and complete it after consulting with your family members and then bring the completed form to the Ansar National Ijtima where we will finalize it for you.

This is a free service provided by qualified Ansar of our Majlis. This
