## Paid Job Training

Zafar Malik, LA East

I would like to introduce to my Saff Awwal Ansar brothers a program that offers paid job training. It is a Federal government program for low-income individuals who are 55 or older. The program provides part-time training to individuals who are unemployed and have poor employment prospects. The Senior Community Service Employment Program (SCSEP) has offices in each county.

SCSEP provides both community services and work-based training with an average of 20 hours a week paid with the highest of federal, state, or local minimum wage. Participants are placed in a wide variety of community service activities at non-profit and public facilities, including day-care centers, senior centers, schools, and hospitals.

I have worked as a Job Coach in this program in San Jose for two years and highly recommend this program to brothers who think they might benefit from it.

More information about this program can be found [here](#).

## 2016 Ta'lim Test I - Participation Status

Monas Chaudry, Qa'id Ta'lim

Dear Ansar Brothers,  
As-Salamu 'Alaikum Wa Rahmatullah

Here is the latest list of Ta'lim Test I participants by Majlis. We are 27 days away from the due date and we are **only third of the way** to our goal. The national goal is to have 1500 members take Ta'lim Test I. It is up to you my dear brothers to make it possible for the Majlis to achieve this goal. So I humbly request those brothers who have not yet taken the test to do so as soon as possible.

Jazakallah to all the brothers who have already taken the test.
