Long Island Majlis – Archery Event

(Zeeshan Hameed, Zaim Long Island, NY Majlis)

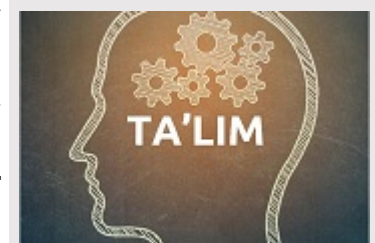

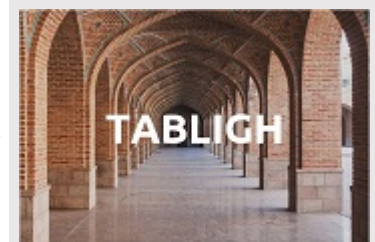

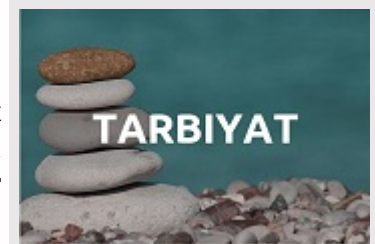

Majlis Ansarullah Long Island held an event recently to bring members of the Majlis together, encourage sportsmanship and increase brotherhood. The First indoor archery event was organized by Muntazim Health Kashif Chaudry sahib and the local Ansar Amila. The event was held indoors in Patchogue NY on Saturday February 19th; the middle of winter in New York.

By the Grace of Allah the attendance was much greater than expected. The archery range was booked exclusively for our group with a dedicated instructor. However we ran short on space. Members of the Majlis, some of whom brought their children experienced two hours of great sportsmanship and brotherhood. We had archers as young as 10 years old and as old as 70 years old who were standing side by side trying to hit their target. The event ended with congregational salat and dinner.

Our intention was a brotherhood activity however we were able to do Tabligh through our actions as well. The 72 year old owner of the range was there for the whole event along with his staff. He asked several questions and seemed interested in who we were. The Ansar told him about what Majlis Ansarullah is and naturally he asked about whether we have a similar women organization. After the event ended he asked for permission to speak and said “thank you for coming, I learned a lot about your culture and you are welcome here.” They respectfully watched us pray together and shared our meal with us enjoying Pratha chicken tikka and Mithai for the first time.

It is a blessing of Allah that folks who had limited interaction with Muslims

were introduced to Islam through the actions of the members who participated.

Send us your stories of brotherhood, Ijtima memories, or any other inspiring experience that we can share with Ansar brothers via this e-newsletter.
