Majlis Ansarullah USA has a pool of volunteer health professionals providing free medical services. A free medical hot-line with a toll-free number was established a few years ago that members can call to seek care. All members of the USA Jama'at have access to this service — we provide the following services.

- In Person or telephone **consultation to patients** within 24 hours or less
- Our physicians at times go to patient's homes for consultation and treatment
- Physicians also assist patients to **connect them to a Health Care Facility** even when they don't have insurance coverage
- Arrange **consultations with specialists** via telephone, Skype, office visit, or sometimes in patient's home
- **Second opinion consultation** with dentist—both in office and over the phone

**Please call 911 or go to the emergency room.
This is NOT an emergency service.**

SELF-RELIANCE MICRO LOAN SCHEME

Majlis Ansarullah USA is launching Self-Reliance Micro Loan Scheme (SMILE) to help out those Ansar who want to start a small business or trade to be able to make a living. This loan scheme is in the spirit of Huzur's (May Allah Ta'Allah be his Helper) directions to Majlis Ansarullah USA to help out our members in general and immigrants in particular to settle down and to make a living either by upgrading their skillset to prepare for a job or start a small business or trade. This scheme is one of the many initiatives of Ithar department.
